

Supporting
a girl's life

2008 | 2009 DONORS

Girl Scouts - North Carolina Coastal Pines

Donors lead Girl Scouting forward in many ways. Giving expresses a donor's personal belief in the value of Girl Scouting. Giving encourages greater engagement and inspires new friends to contribute. When we lead in giving, others follow.

Girl Scouts – North Carolina Coastal Pines is grateful for the generous financial support we receive from individuals, corporations and foundations. Contributions make an immediate difference in the lives of girls, with \$.89 of every contributed dollar going directly to programming for girls. Thank you for helping girls realize their leadership potential and become girls of "courage, confidence, and character who make the world a better place."
