What's Up

National Inclusion Project - The National Inclusion Project has partnered with Girl Scouts - North Carolina Coastal Pines to implement Let's ALL Play into Girl Scout programming. The partnership will help us to encourage girls with disabilities to enjoy a successful Girl Scout experience in an inclusive setting. As part of this initiative, the National Inclusion Project will provide a program model, training, expertise, and an award of \$15,000. Girl Scouts - North Carolina Coastal Pines will

create a new patch program revolving around inclusion, and we are looking forward to inviting girls of all abilities to join Girl Scouting. For more information, click [here](#). If you are interested in learning more, or would like to give input on this new and exciting project, please contact Robin Simonton, Volunteer Services Executive at rsimonton@nccoastalpines.org.
