Group Camp 2010

Group Camp at Camp Graham is another way to supplement your regular troop program! And it's a blast! Bring your girls out to explore the wilds of Vance County and Kerr Lake while swimming, sailing, canoeing, kayaking, and more. These sessions are designed for a group of girls and adults to attend resident camp as a unit. There will be one half-week session at the beginning of the summer that will run Wednesday to Friday. For week-long sessions stay from Sunday afternoon to Friday afternoon and explore all that Camp Graham has to offer!

What are the benefits of Group Camp?

- The camp staff facilitates waterfront program, some interest activities, and evening programs.
- You and your girls can plan programs for other parts of the day, 3-3.5 hours a day.
- All the Group Camp units have warm showers, flush toilets, a fire circle, picnic tables, and grills. Practically all the comforts of home!
- Meals are prepared for you and are served in the dining hall.
- One evening your group will prepare and serve a meal in your unit.
- Girls are able to experience camping with a large group of their friends while meeting new girls.
- A health supervisor will be at camp to assist with any medical issues.

Cost

The cost of Group Camp is \$145 per girl (week-long) or \$70 per girl (half-week). The cost includes meals, waterfront program staff, health care, and insurance. **A non-refundable deposit of \$25.00 per camper is REQUIRED with your registration.**

This deposit is deducted from the camper fee. Groups may charge additional fees for transportation, extra snacks, or other group expenses. Girls may also use their cookie dough for the fee. Financial assistance is available and forms can be found in the GS- NC Coastal Pines 2010 Summer Fun Guide and GO! Special Summer Issue.

Sleeping Arrangements

- Group Leaders are provided with sleeping accommodations separate from the campers but within the same unit. They are close enough for supervision.
- An extra tent may NOT be pitched on any site without permission from the Camp Director. A fee will be charged for the people in the tent.
- Every person must have her own bed. Two children may not sleep in the same bed (American Camp Association and Safety-Wise regulations).

Requirements

- Each camper (girl and adult) must have had a health exam in the past two years and have a completed camp health form on file at camp.
- Leaders should register for Group Camp by using the Group Camp form located in this insert.
- All in-council registrations will be processed randomly on **January 12, 2010**. After this first processing, registrations will be processed on a first come, first registered basis.
- All out-of-council registrations will be processed beginning on **January 27, 2010**.
- Attendance at **Group Camp Leader training on March 27, 2010** at Camp Graham is required.
- Leaders are responsible for handling the group's finances and collecting parent permission slips and health history forms.
- Leaders must plan to provide program for the campers.

Organizing Groups

Bring your troop or a group from your service unit, county, or area. Groups can be as small as 6 girls and 2 adults or as large as 36 girls and 6 adults. Remember, 1 adult attends FREE with every 6 paying campers. You can choose from the 6+2 plan or the Unit Group

6+2 Plan – This plan is for small groups. A group of 6 girls and 2 adults may reserve space in Trailblazer or Whippoowill for \$145/\$70 per camper and no fee for 1 adult. This plan applies to any multiples of 6 girls and 1 adult. **A group reserving less than the entire unit will share the unit with other groups.** In this situation, all the adults will share one tent or cabin. Additional adults pay the \$145/\$70 fee (minimum 2 adults with any size group to follow *Safety-Wise* ratios).

Unit Group Plan – A group may reserve a whole unit for the cost listed below. The fee covers all persons in the unit up to the maximum capacity for the unit. Up to 6 adults may attend free in each unit.
