# Superstar Destinations Overview

Superstar Destinations is an awards program for girls that participate in the 2012 Cookie Sale Program with Girl Scouts - North Carolina Coastal Pines. Individual girls who sell 500+ boxes of Girl Scout cookies, and sisters who together sell 500+ boxes qualify for Superstar Destinations.

500+ box sellers earn points based on the number of boxes sold, and can spend their points on any combination of Superstar Destinations, one of which is Cookie Dough. For example, a girl who sells 850 boxes of cookies would earn 5 points and could choose to receive \$90 in Cookie Dough (equivalent to 3 points) and apply the remaining 2 points to other Superstar Destinations. Or she could redeem all 5 points to receive \$150 in Cookie Dough. Or she could apply all 5 points toward Superstar Destinations.

The opportunities are endless!

Girls must submit their Superstar Destinations request by March 30, 2012 by going to [www.nccoastalpines.org](http://www.nccoastalpines.org) and clicking *Cookies* from the main menu, then clicking *Resources and Forms* under 2012 Cookie Sale Program. Click the link for *2012 Superstar Destinations Request* to complete your request via Survey Monkey. If you do not have Internet access or if you're unable to complete your request online please contact the Product Sales Department by March 19, 2012 at either [superstar@nccoastalpines.org](mailto:superstar@nccoastalpines.org) or by calling 1-800-284-4475 ext 3343.

**Please note that each qualified girl must submit a Superstar Destinations Request by March 30, 2012.** Superstar Destinations are not fulfilled automatically. If we do not receive a request then we cannot mail Superstar Destinations or Cookie Dough. Requests received after March 30th will be filled to the fullest extent possible, but the council cannot guarantee availability of Superstar Destinations for requests received after March 30th. If the council is unable to provide a requested Destination Cookie Dough will be sent.

Good luck meeting your Superstar Destinations goal!
