

Send a girl to **camp**

What will girls do this summer?

One girl will learn how to kayak and canoe at camp.

Another girl will share ghost stories around a campfire.

And a third girl will spend her first night away from home and make lifelong friends.

With **your** help, these and other girls can turn their hopes and dreams into realities at camp.

Unplugged from the constant buzz of computers, television, video games, and cell phones, girls can find themselves at camp—connecting with other girls, rediscovering the fun in physical fitness, learning their own strengths, and finding their own voices.

Our council's total expense for one week at one of our three Girl Scout resident summer camps exceeds \$600 per girl. For the majority of our camps, families are only asked to pay **\$220**—which is a real bargain for a life-changing experience. Yet, even so, the cost for a week of camp is often out of reach for many families.

People just like you can help ensure *every* girl in our 41-county area has the opportunity to go to camp. We ask ... **what will you do today?** Will you help us make this possible for our girls?

Each gift of \$220 will ensure one more Girl Scout goes to camp. However, gifts of any size are greatly appreciated.

Our council's Girl Scout camps stand out as exceptional communities that foster friendship and citizenship, growth and respect, and where all girls and young women can learn a true "sense of self" through challenges and successes. We continually update our programs to meet the wants and needs of our girls and the future world in which we will all live.

What will you do today? **You** can make a difference in the life of a girl. So, when she's asked, "what did you do today?" ... she'll have an answer and the confidence to share it!

Please make your gift today—and send a girl to camp this summer.
