

Girl Scouts – North Carolina Coastal Pines 2011 Online Cookie Marketing

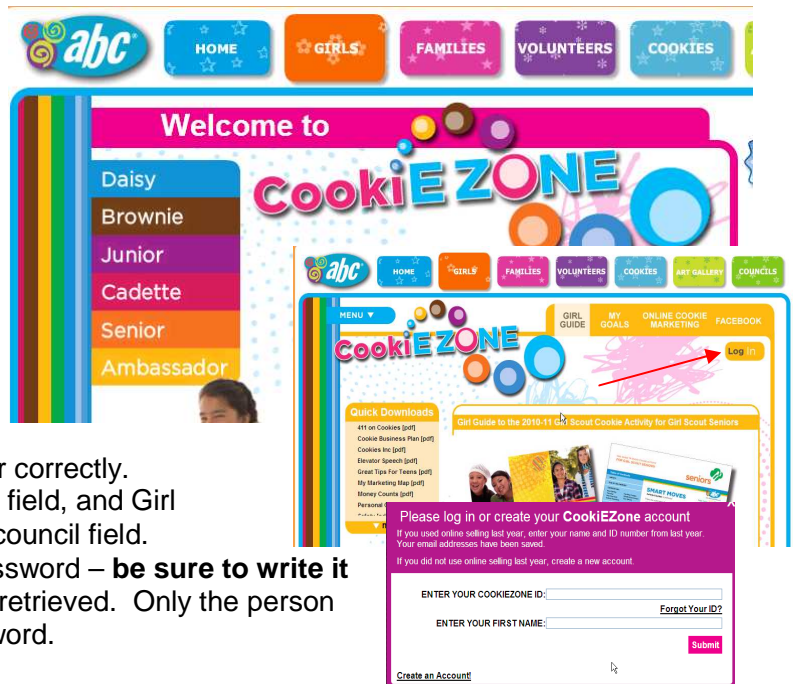

Girls can collect cookie orders online using ABC's Online Marketing tool. It's quick, easy, fun, and Online Marketing is a great way to boost sales with friends, family and neighbors that you can't reach in person. It's also a great option if inclement weather makes it difficult to sell door-to-door, and for reaching busy neighbors who are rarely home.

Please note that while orders can be collected online, cookies need to be delivered, and payment should be collected, in person. Payment for Girl Scout cookies cannot be collected over the Internet or via e-mail under any circumstances.

The online marketing site will be available to start sending e-mails on January 8, 2011. Good luck meeting your sales goals!
