Directions for Home Study

Prerequisites...

- ❖ There are no pre-requisites for this home study.

Materials needed before you begin:

- ❖ *Safety-Wise*

Objectives...

By the end of this Home Study, participants will be able to:

- ❖ Know how to use *Safety-Wise*
- ❖ Utilize the three steps in planning safe activities
- ❖ Provide safe activities

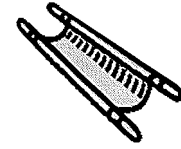

When you finish...

Return the completed *Safety-Wise* Home Study with the evaluation to the Volunteer Services Director at the Raleigh Service Center for processing.

And then...

Participants who successfully complete the home study will receive notification and will be awarded two contact hours. Any applicant who fails to successfully complete 85% of the home study will not receive contact hours.
