It's more than a box of cookies.

It's a lasting investment in our community.

The Girl Scout Cookie Program is the premier business and economic literacy program for girls. It is an integral part of the Girl Scout Leadership Experience.

Through the Cookie Activity, Girl Scouts gain valuable business and life skills, including money management, teamwork, decision-making and goal setting.

Troops retain a percentage of the price of each package to fund activities such as field trips and community service projects planned by the girls throughout the year.

Proceeds also help the council deliver programs for girls, provide training and materials for adult volunteers, and maintain local Girl Scout camps.
