

GIRL SCOUT HONOR CORPS

Be in the spotlight, on TV, or in front of the camera! Give service to other community groups! Perform flag ceremonies or give presentations at public events! Participate in photo shoots for council publications!

Girl Scouts – North Carolina Coastal Pines needs girls to promote Girl Scouting all around our council. If your troop or individual girls in your troop are interested in participating in community events either in your community or in the Triangle area, please complete the following form and return it to the Girl Scouts – North Carolina Coastal Pines Corporate Office.

Some opportunities may require diversity to reflect our strong commitment to the inclusion of all girls. Please complete the information on ethnicity on the back of this form.

Usually, there is not much notice for these events. We often need troops or girls from a specific location quickly. Please circle activities for which you would like to be called. Depending on the need, your troop may or may not be called. We appreciate your interest in “standing by for service.”
