

FASHION FORWARD

Gifting fashion to our friends and neighbors.

EMPOWER YOUR COMMUNITY AND THE PLANET WITH FASHION FORWARD!

Dear Future World Changer!

We're on a mission to make a difference, and we want you to be a part of it! Girl Scouts - North Carolina Coastal Pines is leading the charge in creating sustainable solutions for our planet, and we're inviting YOU to join us in our Fashion Forward initiative.

By teaming up with us, you're not just donating clothes; you're empowering your school community and taking a stand for the environment.

HERE'S HOW YOU CAN MAKE AN IMPACT:

- **Stay Local, Support Local:** Every outfit you donate through Fashion Forward benefits students right here in our community. It's about feeling great in what you wear and giving others the chance to feel the same.
- **Zero Cost, Full Support:** Don't worry about the details; we've got it covered! We provide donation boxes and informative flyers at no cost to your school.
- **Eco Warriors in Action:** As Girl Scouts, we're not just talking about change; we're making it happen. From combating climate change to promoting environmental stewardship, we're here to lead the way.

READY FOR MORE?

Amplify your impact by joining Girl Scouts. It's not just about social justice and environmental action; it's about being part of a community that's making waves. Visit our website, scan the QR, and start your journey to making a bigger splash.

Let's unite for a brighter future. Together, we can do anything. Let's reshape the world, one outfit at a time.

FASHION FORWARD IN ACTION:

- **Save the Planet, One Outfit at a Time:** Did you know 87% of clothing materials end up in landfills or incinerators annually? By participating in Fashion Forward, your stylish contributions help keep textiles out of landfills and in the wardrobes of those who need them.
- **Local Love, Global Impact:** Every piece of clothing you donate stays in the community, directly supporting students at your school and ensuring everyone has the chance to succeed.

THE CHALLENGE OF CLOTHING INSECURITY:

- In 2022, over 1.3 million North Carolinians, including 388,000 children, lived below the poverty line. That's more than one in every six children facing clothing insecurity.
- Thanks to partnerships with organizations like Note in the Pocket of Raleigh, NC, we're able to extend our reach and make a significant impact across our 41-county footprint.
