

YES! The 2021 Cookie Sale will proceed and begins January 16, 2021!

Troops and girls will be provided with information on any necessary modifications to our sale based on the current CDC guidelines and area restrictions at that time.

We encourage troops/girls/families to participate in whatever method they feel comfortable— be it traditional booths, virtual booths, friends and family, or just virtually/online.

There are so many ways to participate!

More information to come this Fall so stay tuned!
