

# ★ Superstar★ Destinations

## 2025

GREENSBORO  
SCIENCE  
CENTER  
AQUARIUM • MUSEUM • ZOO

MUSEUM OF LIFE AND  
SCIENCE  
DURHAM, NORTH CAROLINA

Girls Scouts who participate in our Cookie Program are eligible for awesome recognitions based on the number of cookies sold.

The Superstar Destinations Program was developed to give Girl Scouts that sell 500+ packages of cookies some amazing **extra** recognitions. Year after year we are amazed at the goals our Girl Scouts set – and achieve – as well as their creativity, dedication, and perseverance.

What better way to reward our cookie sellers than to give them the VIP treatment...like the Superstars they are! As a Superstar, you can select awesome rewards like cool electronics, or fun trips you can take locally and beyond!

You can also use your Superstar status to purchase council Cookie Dough, a council gift card supplied with funds to put towards enhancing your Girl Scout experience.

**\*All items subject to change based on availability. Should an item be discontinued or out of stock, an item with the same value will be rewarded.**

**\*Participation in the Superstar Destinations Program is based on the number of cookie packages sold. Individuals who reach this goal will be eligible to select destinations through an online form. Destinations are selected after the Cookie Program is complete.**

# Frequently Asked Questions:

## How does it work?

Starting at 500 packages sold, Girl Scouts earn 1 point for Superstar Destinations. Girls receive one additional Superstar Destinations point for every 100 boxes sold.

Each item has a point value. Girls select items based on the points they earned.

## How do I select rewards?

Once the program is complete, a form will become available to enter your choices. Please remember the point values for each item. **1 item does not equal 1 point.** Be sure to use all your points and not to exceed your point balance.

## How are they mailed?

Rewards are mailed via USPS, emailed digitally, or mailed directly from the vendor. Rewards are mailed from May-July. Shipping updates will be sent to you via email. Shipping dates are subject to change based on item availability.

## What happens if I don't complete the form by the deadline?

**Those who qualify for Superstar Destinations and do not complete the form by March 31st, 2025, will receive Cookie Dough.**

## The picture shows that I should have received a pink camera, why is mine black?

Pictured items are subject to change based on availability: colors, brands, and ticketing type are all subject to change based on availability. Should an exact item be unavailable at the time of our vendor purchases in April-July, a new item with similar value and type will be sent.

## What happens if I don't receive my prizes?

Please wait until the end of June before contacting the Product Program Team about missing Superstar prizes. It typically takes us through June to get all prizes shipped out. **GSNCCP will NOT replace missing prizes if they were mailed to the address/email address provided by you on the submission form.** We will have tracking on all prizes that are mailed via USPS. If an item shows as delivered it cannot be replaced.

# How does it work?

**First ever interactive custom clothing. Your Choice. Your Message. Your Vibe.**

## How does Supermix work?

Kids Clothes, Reimagined. Celebrate your individuality with that perfect, customized piece, that is 100% originally yours.

Step 1 - Select a style: denim jackets, sweats (in all 8 Supermix colors), recycled backpacks, or custom hats.

Step 2 - Choose from 500+ premium custom patches to add to your design, anywhere you want.

Step 3 - Start designing with our intuitive drag and drop Supermix Studio Customizer. So fun and easy to use even a 5 year old can design like a pro.

## What are Patch Points?

Instead of dollars, patch points are used to pay for Supermix patches.

- Each of Supermix's 500+ premium patches has a patch point value assigned to it.
- Patch point values range from 10 patch points for smaller patches to 70 patch points for our Super Size patches.
- Each design comes with enough Patch Points (around 100) to help get you started.
- Once you choose your style, your patch points will automatically be uploaded to your Supermix design session.

## How Will it Work with Superstar Destinations?

- Supermix Studios will be a 4 point item for Girl Scouts to choose from.
- Girl Scouts will receive a Supermix Studios gift card that will cover the cost of an item from the Supermix Studio Kiosk
- Girl Scouts may come to the Raleigh Service Center Shop to use the kiosk and create their Supermix Studio item(s).
- For those of you not near the Raleigh Shop, no need to worry, the kiosk is portable! We will be setting dates for you to visit the closest service center to you so you can create your Supermix Studio item!

To learn more about Supermix Studio check out their website here <https://supermixstudio.com/> or scan the QR code.
