CENTER
AQUARIUM • MUSEUM • ZOO

Girl Scouts who rock the Cookie Program can score amazing rewards based on how many cookies they sell!

Introducing the Superstar Destinations Program—created just for Girl Scouts who sell 500+ packages. Think of it as your VIP pass to extra-awesome perks! Every year, we're blown away by the goals you set (and crush!) with creativity, dedication, and unstoppable energy.

So, how do we celebrate our cookie superstars? By treating you like the true VIPs you are!

As a Superstar, you'll get to choose from cool electronics, fun local adventures, or even trips that take you beyond your hometown.

Want more? You can also turn your Superstar status into Cookie Dough—a council gift card packed with funds to make your Girl Scout experience even more amazing.

***All items subject to change based on availability. Should an item be discontinued or out of stock, an item with the same value will be rewarded.**

***Participation in the Superstar Destinations Program is based on the number of cookie packages sold. Individuals who reach this goal will be eligible to select destinations through an online form. Destinations are selected after the Cookie Program is complete. Caregivers/Girl Scouts are responsible for Superstar Destinations submissions.**

***Those who qualify for Superstar Destinations and do not complete the form by March 31st, 2026, will receive Cookie Dough. If not completed by June 1, 2026, Superstar Destination rewards are forfeited.**

Frequently Asked Questions:

How does it work?

Starting at 500 packages sold, Girl Scouts earn 1 point for Superstar Destinations. Girls receive one additional Superstar Destinations point for every 100 boxes sold.

Each item has a point value. Girls select items based on the points they earned.

How do I select rewards?

Once the program is complete, a form will become available to enter your choices.

The link to the Superstar form is sent to Girl Scout caregivers. Please make sure your email address is accurate in our system. If you need help updating your email address, please reach out to our help desk at 800-284-4475. Please remember the point values for each item. **1 item does not equal 1 point.** Be sure to use all your points and not to exceed your point balance.

How are they mailed?

Rewards are mailed via USPS, emailed digitally, or mailed directly from the vendor. Rewards are mailed from May-July. Shipping updates will be sent to you via email. Shipping dates are subject to change based on item availability.

What happens if I don't complete the form by the deadline?

Those who qualify for Superstar Destinations and do not complete the form by March 31st, 2026, will receive Cookie Dough. If not completed by June 1, 2026, Superstar Destination rewards are forfeited.

The picture shows that I should have received a pink camera, why is mine black?

Pictured items are subject to change based on availability: colors, brands, and ticketing type are all subject to change based on availability. Should an exact item be unavailable at the time of our vendor purchases in April-July, a new item with similar value and type will be sent.

What happens if I don't receive my prizes?

Please wait until the end of June before contacting the Product Program Team about missing Superstar prizes. It typically takes us through June to get all prizes shipped out. **GSNCCP will NOT replace missing prizes if they were mailed to the address/email address provided by you on the submission form.** We will have tracking on all prizes that are mailed via USPS. If an item shows as delivered it cannot be replaced.
