

# Pet's Bill of Rights

~ Anonymous ~

1. We have the right to be **full members** of your family. We thrive on social interaction, praise, and love.
2. We have the right to **stimulation**. We need new games, new toys, new experiences, and new smells to be happy.
3. We have the right to **regular exercise**. Without it, we could become hyper, sluggish... or fat.
4. We have the right to **have fun**. We enjoy acting like clowns now and then; don't expect us to be predictable all the time.
5. We have the right to **quality health** care. Please stay good friends with our vet.
6. We have the right to a **good diet**. Like some people, we don't know what's best for us. We depend on you.
7. We have the right **not to be rejected** because of your expectations that we be great show dogs or show cats, watchdogs, hunters, or baby-sitters.
8. We have the right to receive **proper training**. Otherwise, our good relationship could be marred by confusion and strife -- and we could become dangerous to ourselves and others.
9. We have the right to **guidance and correction** based on understanding and compassion, rather than abuse.
10. We have the right to **live with dignity**... and to die with dignity when the time comes.
