

Rooster

Put on your mask and crow
like the rooster on page 31
of *3 Cheers for Animals!*

Fold upper beak (below)
down the middle to make a
tent shape. Fold yellow tabs
under and tape or glue
them to the mask.

Tape or glue
lower beak
to mask first.

Cut out both
eye holes.

Attach
upper
and lower
beaks here,
aligning with
yellow shape.

Punch out the black holes
on both sides for string.
