Step 1: Read along with Vi the Violet's story in the link above

Step 2: Talk about "Vi's Story"

How were the flowers from other countries the same as the Flower Friends from home?

How were they different?

Step 3: Create a collage about girls around the world

Use pictures from magazines or the internet to show how girls live in other parts of the world. Can you find flowers from the same countries?

Step 4: Practice being a sister to every Girl Scout

Sit in a circle with your family. Take turns saying one thing about someone else that is different from you (are your eyes or hair a different color?) and why you like it.

Then say one thing that you have in common (do you both like ice cream or do you both love to read?).

Be a Sister to Every Girl Scout

Congratulations!

You have completed your
Vi Daisy Petal!

Now that I've earned this badge, I can :

- Talk about how girls in another country live
- Talk to my family about how we are the same and how we are different
