

# EMBRACE EMBRACE POSSIBILITY

Always focusing on the 5 Skills the girls learn while participating in the sale, the program is designed to help girls grow into leaders of courage, confidence, and character while learning these five valuable life skills: **goal setting, decision making, money management, people skills, and business ethics.**

# COOKIEgram

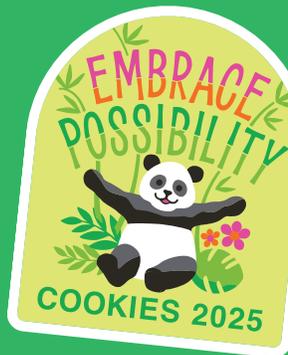

All Girl Scout troops earn proceeds for participating in the Cookie Program, which can be used to fund troop adventures such as travel, community service projects, council-sponsored activities, fun events and much more. Troops earn proceeds on a scaled proceed plan based on their box-per-girl average. The more troops sell, the more they earn. For 2025, we have increased troop proceeds substantially, so troops have the opportunity to earn more than ever before! In 2024, the average troop earned more than \$1,800 in proceeds!

In addition to the scaled proceed plan, each Girl Scout is eligible to earn awesome rewards based on overall sales. Girls earn cool patches for Walkabout Week, Operation Cookie Drop, and entering their goal into Digital Cookie.

Girls are also eligible to earn additional rewards such as themed t-shirt, plush pandas, iPad and apple Pencil, embroidery machine, pickleball set, robotic dog, hoverboard go-cart, archery game, portable projector, themed hoodie, socks, blanket, wireless speaker, and so much more!

## 2024 COOKIE PROGRAM HIGHLIGHTS

- **Cookies are now \$6 per package** – all varieties. Due to rising costs across the board (bakery, shipping, credit card charges), our council made the hard decision to increase the selling price of cookies.
- **All Girl Scouts and their caregivers will be using the newly revised Digital Cookie platform.** After some revisions and updates, Digital Cookie is returning this year better than ever! Troop Cookie Coordinators will also be using the newly updated platform but will continue to work in our current platform, Smart Cookies, for the bulk of their cookie needs.
- **Caregivers no longer need to submit the Girl Online Permission form for each Girl Scout to be able to sell cookies.** Instead, a permission clause has been added to the Receipt form that the Troop Cookie Coordinator will have for each girl participating. Caregivers will need to sign that form giving permission for their Girl Scout to participate in the sale.

# GIRL SCOUT COOKIES = PANDAMONIA!

## DEAR GIRL SCOUTS,

As we prepare to embark on another exciting cookie season, I am thrilled to share the journey ahead with all of you. The 2025 Girl Scout Cookie Program promises not only the beloved traditions we've cherished over the years but also new innovations and opportunities that will make this year truly special. Your participation and dedication have been instrumental in our success, and we look forward to another memorable year together.

First and foremost, I want to extend a heartfelt thank you to all the Girl Scouts, families, and volunteers who make this program possible. Your participation and dedication are the backbone of our success, and we are incredibly grateful for your support.

The Girl Scout Cookie Program has always been a unique and powerful experience for our Girl Scouts. It teaches them vital skills in financial literacy, social interactions, and leadership, all while having fun and making a positive impact on the world. As we look back on our previous cookie seasons and the memories made, let's remember that the Girl Scout Cookie Program is so much more than delicious cookies. It's about setting goals, making decisions, managing money, building relationships, and upholding ethical business practices. These skills are the foundation of leadership and success, and they will serve our Girl Scouts well throughout their lives.

This year, we will be introducing a price increase for our beloved Girl Scout Cookies. Starting in 2025, each package of cookies will be priced at \$6. This decision was not made lightly. Over the past few years, we have faced rising costs in various aspects of the cookie program, from ingredient prices to logistical expenses. To continue providing the exceptional experiences and programs our Girl Scouts deserve, it became necessary to adjust the price. By doing so, we can ensure that every Girl Scout continues to have access to the resources and opportunities that empower them to grow, learn, and lead.

When you purchase Girl Scout Cookies, you are not just indulging in a sweet treat; you are making a significant impact in your community. Every dollar spent on cookies stays local, supporting programs that help our girls develop essential life skills, leadership abilities, and a sense of community. Your contribution helps fund camp experiences, STEM projects, community service initiatives, and much more.

Our Girl Scouts are a force for good, and they continue to inspire us with their courage, inclusivity, and kindness. As we move into a new cookie program season, I thank you for your continued support of our Girl Scouts and their goals. Your dedication as volunteers and supporters is invaluable in helping our Girl Scouts learn, grow, and thrive.

It is such an exciting time to be a Girl Scout in central and eastern North Carolina! Thank you for your unwavering support. Here's to a memorable and enjoyable 2025 Girl Scout Cookie Program!

Yours in Girl Scouting,

LISA JONES *(she/her/ hers)*

Chief Executive Officer

## FAQs

### Who can sell Girl Scout cookies?

Registered Girl Scouts who have submitted a signed Permission Form may sell Girl Scout cookies.

Participation in the sale is optional.

### Where can Girl Scouts sell cookies?

Girl Scouts can sell cookies within our 41-county jurisdiction. There are no restrictions on where members can sell door-to-door within our council (i.e. no girl or troop has exclusive rights to any town, area, neighborhood, or street). However, requests for cookie booths must be submitted by the Troop Cookie Coordinator and approved by the Booth Coordinator in the county/area in which the booth would be set up. Different rules may apply on military bases, so please check with the appropriate persons regarding selling on base.

### When should customers pay?

Customers should pay when cookies are received, except when ordering online. Online orders do allow for prepayment of cookies via credit card.

### Can customers pay with a check and to whom should it be written?

Yes, Girl Scouts and troops can accept checks from customers they know but should not accept checks from strangers or checks over \$25 in value. Caregivers are encouraged to help their Girl Scout set up her Digital Cookie account so credit and debit cards can easily be used for payment by customers through this platform. Offering credit and debit card payment options reduces the need to accept checks from customers and decrease any potential dishonored checks that could occur.

### Can customers return cookies?

If a customer believes that a box of cookies is in any way unsatisfactory, the box can be returned to the troop for a replacement or a refund.

### Can Girl Scouts return cookies?

Once a caregiver signs for cookies they cannot return them and the caregiver is responsible for paying for them. However, troops and caregivers need to work together to aid in getting any remaining cookies sold to help the troop achieve its overall sales goal.

### When should caregivers pay for their cookies?

Caregivers should turn in money weekly and by each deadline set by their troop.

## Important Details for Girl Scout Caregivers

We want all Girl Scouts and family members to have a successful and fun Cookie season! For your experience to be the best it can be, it's very important that caregivers take the time to watch our girl and caregiver training. This year is especially important since girls and caregivers will be working in the newly updated Digital Cookie platform. Your Troop Cookie coordinator will provide the link to the training for you, but this is available on our council's YouTube channel as well. The training gives extremely important details and guidelines to guide your Girl Scout and your family to have an eventful and exciting cookie sale experience.

A few additional important things to note:

- **Always sign the official duplicate receipt form when picking up cookies from your troop AND when turning in money for your Girl Scout for cookies sold.** Your Troop Cookie Coordinator (TCC) will have this duplicate receipt for your Girl Scout. Be sure to ask about it if you pick up cookies or turn in money and they don't have you sign it. Make sure all the details you are signing for on the receipt are correct BEFORE you sign.
- **Be respectful of your TCC and adhere to all deadlines they require.** Remember, that TCC is responsible for many girl's cookie sales, your troop's money and all the cookie inventory for your troop. It's a big job and they are a volunteer.
- **Don't take more cookies than your Girl Scout can sell.** Whatever cookies you order from the troop are your financial responsibility. Always sign the official duplicate receipt form when picking up cookies from your troop AND when turning in money for your Girl Scout for cookies sold. You will also sign this form at the top to give permission for your Girl Scout to sell cookies. Nonpayment of your Girl Scouts cookie bill can greatly burden your troop and the TCC – not to mention cause undue issues among the troop and interfere with any activities or plans the troop has for their proceeds.
- **Follow all cookie program rules and guidelines.** They are in place for your benefit, success and to make sure everything goes smoothly for your Girl Scout and your troop.
- **Read over and sign the new Booth Guide for Girls and Caregivers.** It's important that every caregiver know all the rules for participating in a cookie booth and this new guide explains the expectations and best practices for you, your Girl Scout and your troop to have fun, safe and successful cookie booths.
- **Take a look at all the rewards** your Girl Scout can earn by participating in the cookie sale and go over them with your Girl Scout. Set a goal with your Girl Scout and record that goal online in her Digital Cookie account. Be aware that rewards over the 1,000 level are non-cumulative.
- **Help your Girl Scout set up and utilize their online Digital Cookie account.** In this account girls can send ecard invitations for girl delivery orders and for direct ship orders, see their total sales, take credit card payments, see rewards earned as well as communicate with their leader and send cheers to other troop members. All Caregivers will receive an email link to set up your Girl Scouts online Digital Cookie account. There are more details on setting up the account and navigating the site in the Girl and Caregiver training, and more tip sheets and information will be provided by your Troop Cookie Coordinator and on our council's website.

# DIGITAL COOKIE

## NEWLY REVISED PLATFORM!

**Exciting news!** Selling cookies online and reaching your goals just got easier

GSUSA has greatly improved the girl/parent online cookie sales experience platform, Digital Cookie. After much input from councils, GSUSA has spent the summer revising the Digital Cookie platform to make it easier, smoother, flow data correctly and correct other errors that were experienced last year. We are hopeful and excited to see this platform work the way we know it can for the 2025 selling season!

### HOW IT WORKS

Digital Cookie takes the data entered into the baker software, Smart Cookies, for Girl Scouts and troops in order to populate the girl user records. Information on Digital Cookie orders is sent back to Smart Cookies from Digital Cookie and additional Girl Scout sales transferred by the Troop Cookie Coordinator, are sent from Smart Cookies to Digital Cookie for full integration of both platforms.

Digital Cookie allows Girl Scouts to sell cookies through their personalized storefront or by using a mobile app. They can maintain an ongoing list of customers and track purchases and deliveries. Going forward, all Girl Scouts will be using the revised Digital Cookie application to sell cookies to customers online, track progress towards a goal and manage all sales.

Please note: Troop Cookie Coordinators and volunteers will still be using Smart Cookies as they have in years past, for all cookie business management tasks like ordering additional cookies for the troop and allocating cookies to girls.

Girl Scouts create their own sites showing their goal for the sale and what they hope to learn. For Girl Scouts 13 and older, the site can be set up and run by the participating Girl Scout, with an appropriate level of caregiver oversight. For Girl Scouts 12 and younger, the site is actively managed and run by the Girl Scout's caregiver on her behalf in partnership with the Girl Scout. Girl Scouts and their families can manage their online sales, inventory, and financials using Digital Cookie.

Troop volunteers use Digital Cookie to set up and manage sales for a troop specific online sales site. They support Girl Scouts and families with visibility to the troop's online activities. All other troop cookie sale activity is managed in our Smart Cookies platform.

## GETTING STARTED

Registering your Girl Scout on the new Digital Cookie platform:

- **Step 1: Watch for your registration email\* from "Girl Scout Cookies"** (email@email.girlscouts.org) with the subject "It's time to register your Girl Scout for Digital Cookie!". The approximate date you can expect to see that email is around December 15th, 2025. Search your "Promotions/Clutter/Spam" folder too.
- **Step 2: In the email is a pink button to take you to the Digital Cookie registration site.** Simply click that button!
- **Step 3: Once you click the link, you'll be on the Digital Cookie platform.** You'll need to create a password.
- **Step 4: Use your new password to log in.** Remember to use the same email address where you received your registration email—that's the one your Girl Scout Council has on file for you.
- **Step 5: When you first log in, you will have the "Safe Selling for Smart Cookies" safety video** pop-up to watch and review with your Girl Scout(s). You can't proceed any further until the full video has been viewed.
- **Step 6: Read and accept the Terms and Conditions agreement.**
- **Step 7: Next, the "Girl Scout Safety Pledge" will appear.** Be sure to read it to/with your Girl Scout(s). Then check the box for "accept" and click "continue." You will then be taken to a screen to activate your Girl Scout(s) for the Digital Cookie program and update their preferred name if desired. If the Girl Scout you are activating is 13 or older, you have the option to enter her email address and she will complete her own registration process. Girl Scouts under 13 will login in partnership with their caregiver and do not need a separate email address. After activating all of your Girl Scouts (if you have multiple), you will click the "Access Site" button to be taken to the first Girl Scout's home page.
- **Step 8: Once you have registered,** watch your inbox for a registration confirmation email and save this email where you can find it during cookie season!

*Videos, training links and a brief reference guide on Digital Cookie will be sent by council for caregivers and troop volunteers to view and aid in navigating the site.*

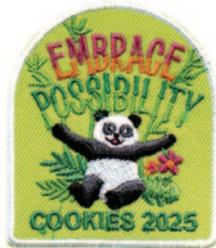

STAY TUNED!

# Rewards & Patches

In addition to learning valuable life skills in the Cookie Program, there are many incentives, rewards, and boost bar patches that girls can earn based on their individual and cookie booth sales.

**End of Sale Rewards** – At the end of the sale troops tabulate each girl’s total package sales by adding her initial cookie order plus any additional sales during the “Planned Order” phase, including donations to Operation Cookie Drop, packages sold online and sold at cookie booths. **Rewards are cumulative up to the 1,000 box level only– which means girls will earn all the rewards up to and including the item at their individual selling level.** For example, a girl selling 2,100 boxes will receive the 2000+ achievement bar patch, Hoverboard GoCart, themed hoodie, panda blanket, pompom beanie hat, large plush panda, panda neck pillow, themed t-shirt, journal & panda sticker sheet, panda socks, lip balm, shoe laces, mood cup and theme patch . Wow! That’s a ton of awesome stuff!

**Please note that girls in troops that elect the higher Proceeds Plan do not receive End of Sale Rewards but do receive patches. Please ask your child’s troop cookie coordinator which plan the troop voted on.**

## Superstar Destinations & Cookie Dough

The Superstar Destinations Program is always a girl and caregiver favorite! In 2024 more than 1,700 girls qualified for prizes like laptops, cameras, camping equipment, admission passes to theme parks, museums and water parks, Girl Scout membership renewal and the ever popular “Cookie Dough!”

This year, we’ve added a lot of awesome new destinations to choose from in our Superstar Destinations Catalog. More actual destinations than ever before! The complete catalog of offerings is available on our website under the Cookies page.

Many girls chose Cookie Dough as some or all of their Superstar Destinations and paid for things like resident Girl Scout camp, purchases at the council shops, and other council-sponsored activities and events. Girls can also choose Membership Renewal for the next year as part of their Superstar Destination rewards selection.

Individual girls that sell 500+ boxes, qualify for Superstar Destinations. Go to [www.nccoastalpines.org](http://www.nccoastalpines.org) and click Cookies then scroll down to find Resources for Cookie Sellers and click the yellow Get Started box to see the Superstar Destinations catalog and submit your Superstar Destinations request. **Superstar Destinations requests are due to the Product Program Department by March 31, 2025.** *Parents/caregivers of each qualifying Girl Scout are responsible for submitting Superstar Destination request forms. This is NOT the responsibility of the Troop Leader or Cookie Coordinator.*

Check out a few of the choices in the Superstar Destinations catalog!

*Families must pay their cookie bill in full by their troop’s deadline to be eligible for Superstar Destinations. Any delinquent cookie bill payment may result in disqualification from the Superstar Destinations program. Superstar requests submitted after the deadline will be awarded Cookie Dough only. No requests will be issued after June 1, 2025. Superstar Destinations is available to all girls regardless of the proceeds plan chosen by their troop.*

## The Buy 5 Program

Entering its 18th year, the Buy 5 Program gives customers the opportunity to win a year’s worth (60 boxes) of their favorite Girl Scout cookies. Here’s how it works:

- Customers that buy five boxes or more during a single purchase from a girl or troop can qualify. Donations to Operation Cookie Drop also count!

- The girl or troop should give the customer a Buy 5 Coupon. Each girl will be given a supply of these coupons by her troop and can print more off of our website if needed.
- The customer scans the QR code on the coupon and follows instructions to enter their name in the online Buy 5 Drawing.
- The council will draw the names of six winners and ship Girl Scout cookies directly to the winners in April.

It’s that easy! Each year many girls boost their sales just by mentioning the Buy 5 Program to their customers – especially customers that originally ordered 3 or 4 boxes. It’s easy to calculate the cost since cookies are sold at \$6 per package – they can buy 5 for \$30! Most customers will want to purchase another box or two just for the opportunity to enter the drawing!

Now entering its 20th year, Operation Cookie Drop has made it possible to ship nearly 1.5 million packages of Girl Scout cookies to our brave military men and women serving overseas, returning from deployment and serving throughout our country!

### Why Girls and Troops Participate

- It's easy and can really boost your sales! In 2024 our troops earned over \$54,000 in proceeds from collecting Operation Cookie Drop donations, and individual girls added an average of 32 packages to their sales – without having to deliver a single package of cookies!
- Some customers don't want to purchase Girl Scout cookies for themselves but want to support Girl Scouts and help you reach your sales goal. Their donation to OCD will do just that – you earn sales credit, and your troop earns proceeds as well.
- Girls that turn in donations for 15 packages or more (\$90.00) receive a **2025 OCD patch**.

- Girls that turn in donations of 30+ packages will be included in each of our 3 drawings to win a giant, 3 ft. **stuffed Panda!** For every 30 packages donated, the girl gets entered each of the 3 drawings again. So, donations for 60 packages get name entered twice, 90 and it's entered 3 times, and so on.

### Here's How it Works

- Collect Operation Cookie Drop donations from January 18 to March 9 and give OCD money to your troop as often as possible. (Money collected in person must be turned into your troop in order for a girl to receive credit for OCD.) Please communicate regularly with your Troop Cookie Coordinator to make sure these sales are accurately put in Smart Cookies for your Girl Scout. Last year there was a great deal of confusion around this so please read carefully. When orders are placed for online girl-delivery cookie share/donated/Operation Cookie Drop orders, only the financial transactions are automatically credited to the girl's total cookie sales in Smart Cookies. Because only a financial entry is credited to her account, the package sale should be reported to her Troop Cookie Coordinator so they can record the sale in Smart Cookies (the platform used by the Troop Cookie Coordinator to record the sale activities of each girl). After the Troop Cookie Coordinator records the cookie share girl-delivery sale in Smart Cookies, credits for those sales will filter to Digital Cookie, which will then offset the financial credit. If the TCC does not enter the sale for the Operation Cookie drop/cookie share package the girl scout will not receive credit for that package sold.
- Troops enter their total donations at the end of the sale and the council places a special Operation Cookie Drop order directly with the bakery.
- In April and May our delivery agents deliver cookies to the Packs4Patriots organization in Greenville, the USO in Raleigh, The USO in Jacksonville, Cherry Point Marine Corps Air Station in Havelock, Seymour Johnson Air Force Base in Goldsboro, and Fort Bragg Army Base in Fayetteville. Cookies are then distributed to active personnel by the military branches.

**Girls and troops must report all Operation Cookie Drop donations and cannot use donations to pay for other cookie orders or undelivered cookies.**

## How the cookie crumbles

Revenue generated by the Cookie Program goes directly to troops or is designated for program opportunities that directly support Girl Scouts and/or adult members in our council.

54%  
Girl Scout and adult programs, camps, and training

26%  
cost of cookies, and distribution

18%  
troop proceeds, bonuses, patches and rewards

2%  
administrative expenses

A typical Girl Scout in our council sells an average of 349 packages of cookies that helps fund amazing adventures for her and her troop! It starts with the girl and her family committing themselves to helping the troop achieve their goals.

Support can be offered in many ways – like serving as the Troop Cookie Coordinator, helping girls make cookie sale posters, staff cookie booths, managing cookie inventory, or helping distribute cookies, among other things. Check with your Girl Scouts troop to see how you can help!

## Safety first

Remember to use these guidelines to participate safely in the Cookie Sale Program:

- Wash your hands often and/or use hand sanitizer often

- Younger Girl Scouts should be accompanied by an adult at all times; Girl Scout Cadettes, Seniors and Ambassadors should use the buddy system or be with an adult
- Never enter the home of a stranger
- Do not give customers your last name or address
- Practice pedestrian safety
- Do not carry large amounts of money or leave money in your vehicle or out in a bag/box/container in your home
- Do not accept checks for more than \$25
