Step 3: Spread sisterhood through the Girl Scout Law

“Sisterhood” doesn’t mean sisters in your family. All the girls and women who are Girl Scouts try to live by the Girl Scout Law. That’s what unites us as a Girl Scout sisterhood.

**Create your own list of laws tied to the Girl Scout Law
Write down the lines of the Girl Scout Law . And under each write one specific commitment or action you want to incorporate into your life. Share your list with your family and Girl Scout Sisters.**

OR

Join us through September 30, 2020 as we collect videos to create a virtual time capsule. We will collect videos or pictures that show how Girl Scouts practice the Law yesterday and today. What would you like to include? The time capsule will be opened in 5 years.

Step 4: Leave your environment better than you found it

It's the Girl Scout way to care about the world around us—whether it's a room, a campground, or the world. Practice by leaving a place in your home better than you found it. Then share how it made you feel with your family.

Choose one of the options below to complete this step!

A better room or home. Think of three ways you could leave your room or your home better than you found it each day. Do all three things for a week.

OR

Leave the human “environment” better than you found it. For one week make it a practice to leave the people you encounter feeling “better than you found them”. Do at least one concrete action a day. Examples are play your parents favorite song, bake some cookies for your family, tell your friend why you think they are all so great
