

Application for Individual Financial Assistance and Registration Council Sponsored Activities

Financial assistance provides a way for a registered girl or adult with demonstrated need to participate council sponsored activities. Financial assistance is granted based on the information provided and availability of funds.

- A separate application must be completed for each activity and each participant.
- Applications are due on the first of each month
 - If the event you are requesting financial assistance for is not yet open for registration, you may submit as early as the beginning of the month in which the event registration opens.
 - When financial assistance is received prior to registration opening, it will be reviewed at that time however, registration will not be processed until registration has opened for event.
- Partial financial assistance may be requested. A deposit (\$5 per person per event or one third of event fee, whichever is greater) must be sent with each application.
- Event Registration closes three weeks before most events or when the event is full, whichever comes first. Please note – theater, symphony, and ballet events close four weeks before the date of the event. Please refer to the event descriptions for specific closing dates.
