

2026 Fall Program

READY TO explore

FAST • SIMPLE • FUN

The Fall Product Program is the perfect opportunity for troops to kick-off the Girl Scout year with a fun team-building activity that also generates essential funds to support troop activities. Also, new troops can quickly earn money to fund their troop needs, activities and more!

Looking for something extra?? See the additional items below!

Candles!

Many great scents to choose from. Each candle is \$29.95 and available as a ship to customer option. These are not available for girl delivery. Expansion from 8 items to 51 items!

Bark Box!

Girl Scouts can participate individually or as a troop!

Once you're registered for the 202-2027 membership year just look for program materials emailed from GSNCCP. If your whole troop doesn't want to participate they don't have to! Just please make sure you have a trained and coded Fall Product Coordinator to get started. Talk to your troop leader about participating in the Fall Product Program today!
