

Moving to a new city, state, or grade level? You can change your troop through your <u>My GS</u> account (<u>https://mygs.girlscouts.org/</u>)!

## CHANGE YOUR TROOP IN MY GS

If you've already moved, then please take a minute to update the address for each member of your family by selecting <u>Edit</u> <u>Profile</u> next to each person on the <u>My</u> <u>Household</u> page. If you update one person, the others are not automatically updated, so you will need to update each person in the household.

Don't have a new address? That's okay. As long as you know the zip code, you can still look at troops in the area. Want to contact your new council for more information? Use GSUSA's convenient <u>Council Finder</u> (https://www.girlscouts.org/en/about-girl-scouts/join/council-finder.html).

In the pop-up window, the name of the person leaving the troop should be pre-filled but can be adjusted.

In the middle box, select the troop that the member is leaving.

Select the Next button.
