Camp Graham Lodging

Cardinal Cove: Platform Tents

Capacity: 16

Cardinal Cove is a cozy tent unit nestled between the infirmary and the swinging bridge, offering scenic views of Kerr Lake and the swimming and boating areas. The unit includes four platform tents, each with four cots and mattresses, arranged around a central fire circle for cooking and gathering. A picnic table is nearby for outdoor meals.

Outdoor showers are located close by. Portable toilets are available during the summer, and the main restrooms are a short walk away. During other seasons, campers use the restroom and shower facilities in the infirmary.

Note: Cardinal Cove is closed during the winter and summer seasons.

CIT Cabin

Capacity: 10

Located near the Dining Hall and surrounded by trees, the CIT Cabin offers shade, privacy, and a peaceful setting for small groups and leadership outings. It features bunk beds with mattresses and sleeping areas at each end of the cabin. A central bathroom with a shower and toilet adds convenience.

Behind the cabin, a fire ring and benches provide the perfect spot for campfire cooking and s'mores. Renovated in 2021, the cabin now includes heating and air conditioning for year-round comfort during open seasons.

Note: The CIT Cabin is closed during the winter and summer seasons.

Cloverfield Treehouses

Capacity: 36 in cabins (plus 8 in platform tents)

The Cloverfield Treehouse Unit features six elevated cabins, each named after a native North Carolina tree. Each cabin sleeps six and includes bunk beds, cots with mattresses, a bench, and a ceiling fan. The central Brightleaf Program Shelter offers electricity, tables, chairs, a refrigerator, and fans.

Outdoor amenities include picnic tables, grills, and a fire circle. Beneath the shelter is a shower house with four warm-water stalls and handwashing sinks. While the cabins are not heated, the bathrooms are. The unit is ADA-compliant with a wheelchair ramp and lift.

Note: Closed during summer; available in spring and fall.

Holly Hill

Capacity: 48

Holly Hill is a wooded unit near Kerr Lake with seven cabins, all equipped with electricity and ceiling fans. Cabins 1, 6, and 7 sleep eight (bunks and cots), while Cabins 2–5 sleep six (cots only). The unit shelter includes tables, chairs, electricity, fans, a refrigerator, an indoor/outdoor fireplace, and a patio.

Campers can enjoy two fire circles for cooking or campfires. The bathhouse features three toilets, three showers, and a separate ADA-compliant bathroom with a shower.

Note: Closed in winter and summer; available in spring and fall.

Infirmery

Capacity: 12

Renovated in 2022, the Infirmery includes two large rooms and a small gathering area. It offers six sets of bunk beds, accommodating up to 12 campers. The building is fully heated and air-conditioned and includes an on-site restroom with a shower.

Note: Closed during the winter and summer seasons.

Staff House

Capacity: 20

Located next to the summer office on the main camp road, the Staff House offers a lake view from the front yard and a welcoming indoor space. It features an open room with a fireplace, tables, chairs, couches, a large TV, and a DVD player. Mattresses are stored in a closet and can be used on the floor for sleeping.

The cabin includes a bathroom with a toilet, shower, and sink. The fully equipped kitchen has pots, pans, dishes, utensils, a refrigerator, microwave, stove, dishwasher, and dishwashing sink. Heated for comfort, the fireplace adds extra warmth during colder months. Outside, guests can enjoy a fire circle and picnic tables.

Note: Closed during the summer season.

Trailblazer

Capacity: 42

Nestled among the trees near main camp, Trailblazer offers both privacy and convenience. The unit includes seven cabins, each with six cots and mattresses, electricity, and ceiling fans. Cabins are arranged in a circle around the unit shelter, which features electricity, tables, chairs, indoor and outdoor fireplaces, a refrigerator, and a patio.

Nearby amenities include an open-air shower house with four stalls, a multi-person sink, and a dishwashing sink. The toilet house includes four toilets and a handwashing sink. Two fire circles and picnic tables are available for cooking and gatherings. A large grassy field provides space for games and activities.

Note: Closed during the winter and summer seasons.

Welcome Center

Capacity: 12

Located at the entrance of camp, the Welcome Center is a cozy retreat ideal for small troops. With a capacity of 12 campers, it features three bedrooms with a mix of bunk and single beds, offering flexible sleeping arrangements for both youth and adults.

The full kitchen and gathering area make it a perfect spot for weekend fun, shared meals, and troop bonding. Equipped with heating and air conditioning, the Welcome Center provides year-round comfort in a convenient location.

Note: Closed during the summer season.

Whippoorwill

Capacity: 40

Located in the heart of camp with views of all major buildings, Whippoorwill is an ADA-accessible unit featuring ten platform tents, each with four cots and mattresses. The unit shelter includes electricity, tables, chairs, fans, indoor/outdoor fireplaces, a patio, and a refrigerator.

Behind the shelter is an open-air shower house with four showers, a multi-faucet sink, and a dishwashing sink. The nearby toilet house includes four flush toilets, with one tent, toilet, and shower, ADA-accessible.

Note: Closed during the winter and summer seasons.
