# PRODUCT PROGRAM

During the 2024-2025 membership year, individually registered Girl Scouts, called Juliettes, and troops will have the opportunity to participate in two council-sponsored money-earning activities. The Fall Product Program and Girl Scout Cookie Program provide Girl Scouts the chance to run their own businesses and earn proceeds for their troop or program experience.

## FALL PRODUCT PROGRAM

The 2024 theme for our Fall Product program matches our Cookie Sale theme which is Embrace Possibility. The mascot for fall is the Asian Elephant. The Fall Product Program gives girls and troops the opportunity to sell magazine subscriptions (new and renewals), and very popular nuts and candies. This “friends and family sale” is conducted both face-to-face and via the internet. The Fall Product program begins October 1, 2024.

## GIRL SCOUT COOKIE PROGRAM

The 2025 Girl Scout Cookie Program theme is Embrace Possibility with the Panda as the mascot. All Girl Scout troops earn proceeds for participating in the Cookie Program, which can be used to fund troop adventures such as travel, community service projects, council sponsored activities, and much more. Individual Girl Scouts earn recognitions for their sales level as well. The 2025 Cookie Program begins January 18, 2025.

## MOBILE PROGRAM

Bring Girl Scout programming to you! Our Mobile Program vehicles, Daisy and Savannah, have programs available from all levels! The mobile program vans offer a variety of engaging mobile programs focused on STEM, financial literacy, leadership, healthy living, and outdoor skills.
