

Renewing Girl Scout Membership in My GS

Please note that the instructions below are for a laptop or desktop computer. Screens and menus may appear a little different on mobile devices.

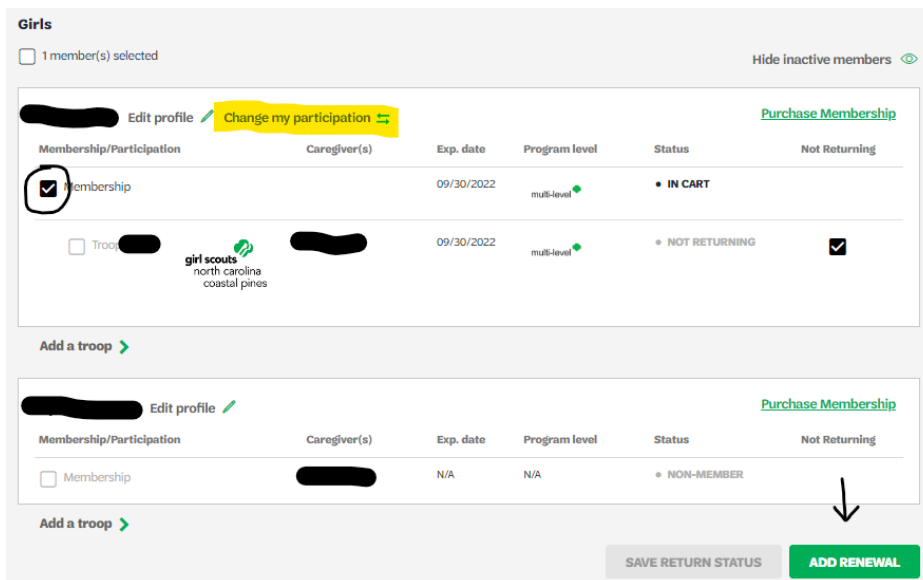

Login to your [My GS](#) account at mygs.girlscouts.org using the yellow Login button in the upper right-hand corner of the page.

Your username is the Email address that you use for Girl Scouts. If you don't remember your password or if you haven't created one, then select [Forgot password?](#)

From the My Account page, select My Household (or My Troops to renew troop members) from the menu on the left.

You should see a list of Adults and Girls in your household (or troop). If anyone is not a current member, then select "Show inactive members" to the right of Adults and/or Girls to see the complete list.

Under the name of the person that is renewing, check the box beside Membership, the troop and also the role(s) desired as needed.

Check the Not Returning box to the right of any roles or troops where the member will not continue.

Use "Change my participation" to find a new troop and/or role.

Select the green Add Renewal button at the bottom of the screen then follow the prompts to complete checkout.
