

How it Works

Goal:

For Girl Scout troops to visit all four camp properties in the Girl Scouts - North Carolina Coastal Pines council footprint. The four camp properties are:

- Camp Graham (Vance County)
- Camp Hardee (Beaufort County)
- Camp Mary Atkinson (Johnston County)
- Camp Mu-Sha-Ni (Richmond County)

Guidelines:

1. Commit to the challenge of Camping Adventures with GS-NCCP
2. Spend at least one night at each camp property in any available sleeping accommodation on a troop camping trip. (Service Unit Camporees, Council Events, and Summer Camp don't count.) This can take place over a period of several years.
3. Complete one Discover (D) task at each property, one Connect (C) task at each property, and two Take Action (TA) tasks between the four properties.
4. Work with your troop to determine what your favorite things are at each property.
5. Submit this completed sheet at one of our council shops and purchase your Camping Adventures with GS-NCCP patches.
6. Each girl and adult earning the patch must stay at all four properties. Be sure to include a roster of all girls and adults who have completed the program.
