Girl Scout Gold Award Project Funding Agreement

The Girl Scout Gold Award Project Funding Agreement must be completed if you elect to raise funds for your project through grants or business/organization donations. This form must be signed and submitted with your proposal.

The following guidelines must be followed when raising funds for a Girl Scout Gold Award project:

- All contributions are to be used specifically for the purpose of the Girl Scout Gold Award project.
- All contributions must be recorded as income on the Girl Scout Gold Award Project Record of Income and Expenses. A complete accounting record of all income and expenses along with receipts is required upon completion of the Girl Scout Gold Award project. All income and expenses should be tracked throughout the duration of the project, but funding cannot be attained prior to approval of your proposal by the Gold Award committee.
- Any contributions greater than \$250 are to be sent to GS–NCCP along with the completed **Receipt of Contribution Form**. It is important that you print legibly when completing the Receipt of Contribution Form or the funds could be delayed in processing. After the contribution check is recorded, the funds will be issued to the girl in a check made payable directly to the girl. Allow 3-5 days for processing.
- Contribution checks should be **made payable to Girl Scouts–North Carolina Coastal Pines** and mailed to:

- Any unused funds must be returned to GS–NCCP to be used to offset Girl Scout Gold Award program administrative costs.

I _____ (Girl’s Printed Name) have discussed with the Gold Award funding counselor either grant writing or business/organization donations. I understand that crowdsourcing such as Go Fund Me, Network for Good, and via Facebook are not permitted by GS-NCCP. Donations should not exceed the estimated expenses. A complete accounting record with receipts is required at the completion of the project.
