DEAR CAMP FAMILIES,

Girl Scout camp has long been a cherished tradition at Girl Scouts – North Carolina Coastal Pines, and each year girls, families, volunteers, and staff look forward to spending their summers among the trees at camp. After making the heartbreaking decision to cancel our 2020 in-person summer camp experience last spring, we are so excited to return to Camp Graham, Camp Hardee, and Camp Mary Atkinson this year. When girls challenge themselves to try new things and learn about the world around them at Girl Scout summer camp, they develop skills and make memories to last a lifetime, and we are committed to providing girls with opportunities to do so.

This summer we will offer a variety of ways for our girls, volunteers, and families to experience the outdoors. From Troop Camp at Camp Graham and Camp Hardee to resident camp sessions at Camp Mary Atkinson, there will be plenty of offerings to ensure that girls can explore the outdoors and challenge themselves to accomplish amazing things. We are also inviting the whole family to camp with us at Family Camp or at our single-day events. However you and your girl choose to join us, we are excited to spend time with you as we build courage, confidence, and character in the outdoors.

With the continuation of the pandemic and ongoing changes to state, local and federal guidelines, we will continually evaluate and modify our safety protocols and procedures as necessary. We are working diligently to maintain the health and safety of all involved in our summer activities (see our COVID-19 Information located on page 4 for more details). Knowing that this spring might look different for you and yours, we have made some changes to our refund policy. There will be a deposit required for each summer activity. Should your comfort level or plans change, you can cancel your summer activity registration by April 30, 2021 for a full refund.

Additionally, we are excited to offer a \$25 camp credit toward one resident or troop camp session to any girl who was registered for resident camp in 2020 at the time we chose to cancel our 2020 summer season. Credit will be given after the deposit is received.

We hope to see you this summer at our Girl Scouts – North Carolina Coastal Pines camps, where we “**Camp Stop...Won’t Stop!**”

- Yours in Girl Scouting

The Outdoor Program Team

COVID-19 Safety Information

We are making efforts to support health and safety at camp. Changes in place for 2021 include:

- ◆ Programming will be designed so girls are in smaller groups during their camp experience. These community groups will travel as a unit.
- ◆ Camp activities will be limited to those that can be done outdoors or in otherwise physically distanced environments.
- ◆ Meals will be served in smaller groups with girls assigned to specific areas to eat. Meals will be plated or boxed. Physical distancing will be in place for all meals.
- ◆ Protocols are in place to ensure program spaces and equipment are properly cleaned between activity groups. Where appropriate, individual program kits will be provided to avoid contact between campers.
- ◆ Expect lots of hand washing and hand sanitizer. Decisions about COVID-19 testing, vaccination, and mask use will be made closer to the summer, as we assess the ever-changing needs and options for our girls.
- ◆ Temperature and health checks will be done at check-in and each morning. Girls will only be allowed to participate if they are feeling well and do not have a fever.
- ◆ We have modified our cancellation policy to make it easier for you to feel comfortable planning for camp and making changes as necessary. Learn more about the 2021 cancellation policy on page 18.

Camper health and safety is our top priority. We are continually monitoring information and guidance updates from the CDC, North Carolina Department of Health and Human Services, and the American Camp Association. We will make adjustments to our COVID-19 protocols as necessary.

GIRL SCOUT CAMP IS FOR *Every girl!*

Camp Graham, Camp Hardee, and Camp Mary Atkinson are proud to be accredited by the American Camp Association (ACA), a national organization that sets high standards for the health, safety, and risk management practices for camps. In addition to meeting the established standards for health, safety, program, and personnel criteria set by federal, state, and local governments, our camps meet the standards set by Girl Scouts of the USA.

Frequently Asked Questions

Q: Who can attend Girl Scout camp?

A: Camp is open to all girls ages 5-17. Some programs have entering grade requirements or prerequisites which must be met to ensure the health, safety, and well-being of all campers.

Q: My camper is not a member of Girl Scouts – North Carolina Coastal Pines but would like to attend camp. Can she attend? Are there additional fees?

A: Girl Scout camps are open to all girls. Out of council Girl Scouts will pay an additional \$75 on their total camp bill per resident or troop camp session. Non-Girl Scouts will pay an additional \$100 per session. Additional fees vary for other summer options, see website for details.

Q: Where will campers sleep?

A: Girls are grouped in units. Depending on their camp and program choice, girls may sleep in cabins, treehouses, or platform tents. Each unit has trained counselors housed in separate quarters within the living unit, but close enough to supervise campers. In select sessions at each camp, counselors sleep in the same cabin as girls. Unless noted in session charts, lodging assignments will not be given prior to check in at camp.

Q: Can my camper attend camp with a buddy/friend?

A: During registration, a buddy's name can be listed. Buddies must be in the same age group and must register for the same session. We are not able to honor requests for more than one buddy.

Q: Who is the camp staff?

A: Camp staff are enthusiastic, talented, and caring. They are selected based on maturity, program experience, and genuine desire to work with girls. Counselors are 18+ years old, except for older Girl Scouts completing our Counselor-in-Training (CIT) programs.

Q: What type of training does camp staff receive?

A: Before camp begins, staff members attend an intensive on-site training which includes activity programming, outdoor skills, first aid and safety, emergency procedures, team building, program age level characteristics, working through homesickness, songs, games, COVID-19 guideline/procedures, and more.

Q: My camper has specific dietary needs or restrictions. How are menus managed at camp?

A: Menus are planned with the general camp population and associated costs in mind. We will make every attempt to provide for special dietary needs within the scope of our regular menus. Please contact the camp director at 800-284-4475 for more information.

Q: My child has specific needs. Can she attend camp?

A: Each year, many girls with specific needs successfully participate in our camp program. Girls must be able to function in a 6:1 girl-to-adult ratio. Specific needs may include a range of physical, medical, developmental, dietary, behavioral, or communicative considerations. It is our hope to be able to serve all girls wishing to attend camp. Providing a safe and positive experience to all campers is of utmost importance to us. We reserve the right to make participation decisions based on our ability to safely and sufficiently meet the needs of each individual girl. The health and safety of all campers is important to us, and we want to ensure we have appropriate professional and medical services to meet our campers' needs. Please contact the camp director at 800-284-4475 to discuss the camp program and nature of your girl's needs.

Q: Can my camper call home during the week?

A: Campers are not permitted to make or receive phone calls. We encourage independence and self-reliance during camp. The camp director will contact parents if a camper has a medical problem, is excessively homesick, or has an emergency. Please let your child know before camp that she will not be able to call home and that you are comfortable with this. It is important not to send your child to camp with a cell phone. There is little coverage on our properties and it will send a conflicting message to other campers. We are partners with you in your child's summer experience, and we hope that you will support us with this camp policy.

Q: Can I visit my camper during a camp session?

A: To help maintain program continuity and ensure the safety of campers, visitors are only allowed at camp during open house and arrival/departure hours.

Q: What happens if my camper has a difficult time adjusting to camp?

A: Camp staff will do everything possible to help girls adjust to camp life. However, resident camp staff reserves the right to send home any camper who consistently exhibits inappropriate behavior or endangers herself or others. A camper's parent/guardian is responsible for picking her up and fees will not be refunded.

Q: What measures are taken to ensure my child's safety while at camp?

A: We are dedicated to providing safe and secure camps. Each camp follows the guidelines set by the American Camp Association as well as those set by Girl Scouts of the USA through Safety Activity Checkpoints. Staff is housed in close proximity to camper cabins and tents, and buildings and grounds are checked nightly. All camp staff and adults spending the night at camp must successfully complete a criminal background check and extensive training in safety, youth development, and camp operations. This summer additional precautions are being added based on COVID-19 guidelines.

Q: If our plans change, how do I cancel my child's session? Can I get a refund?

A: Please notify our Customer Care team as soon as possible if plans change and your camper can no longer attend camp. For the 2021 summer session, your registration can be cancelled and will be fully refunded if notification is received on or prior to April 30, 2021. Cancellations received after this date are subject to refund guidelines.

Q: When is the last day to register for camp?

A: Camp registration will close two weeks prior to the session your camper wishes to attend, space permitting. Exceptions can be made if space is available.

Q: When can I expect to receive confirmation information about summer camp?

A: Once you have completed your registration for camp, you can log back into your My GS account and have access to the 2021 Summer Camp confirmation in your event description. Confirmation packets will be emailed to all campers registered on May 1, 2021.

Paying for Camp the Cookie Way

Camp as a Superstar Destination

Cookie Dough earned during the Girl Scout Cookie Program may be applied toward resident camp sessions, Family Camp, Trading Post gift cards, day camps, and council-sponsored events. The easiest way to apply your 2021 Cookie Dough toward these activities is to choose this option on the Superstar Destinations survey. Girl Scouts – North Carolina Coastal Pines understands the value of camp and continues to provide financial support to offer these important programs at affordable rates. Camp fees cover most council direct costs such as food, program supplies, supplementary health and accident insurance, and camp counselor salaries. Indirect costs such as planning and administering the program, registration, and property maintenance are costs subsidized by the council. Did you know that cookies help to make summer camp happen? Proceeds from the Girl Scout Cookie Program help our council provide high-quality summer experiences for all girls regardless of their socio-economic status.

Employment Opportunities

Have fun at camp and get paid too! Girl Scouts – North Carolina Coastal Pines is hiring staff for our resident camps. Positions include unit counselors, waterfront staff, program staff, kitchen staff, and health supervisors. Staff members receive a salary, meals, housing, and training.

Are you in the health care profession? We look for health care professionals to serve as the health supervisor for a week or the entire summer at all three resident camps. Working at camp is a great way to experience the fun of the campers and get paid too! If you would like to know more about job opportunities, please contact summercamp@nccoastalpines.org or 800-284-4475. Camp staff must be at least 18 years old.

Sue “Skipper” Csorba Award

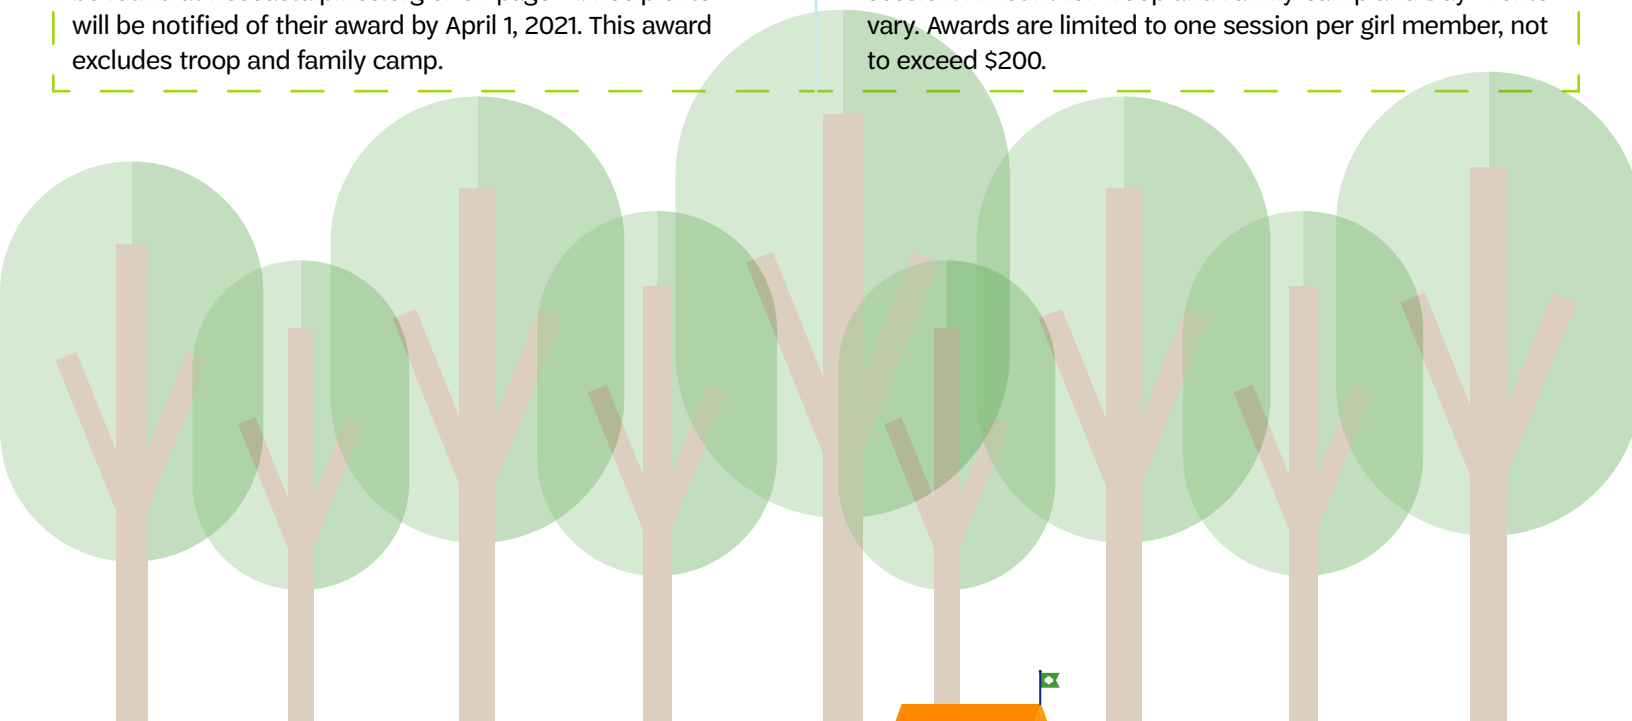

The Sue “Skipper” Csorba Award is a campership honoring a Girl Scout alumna from Annapolis, Maryland. As a troop leader, Sue Csorba was committed to giving girls outdoor experiences and determined to have an inclusive troop of girls from all races, incomes, and family situations. With Sue Csorba’s vision and passion in mind, the fund provides a limited number of summer camp awards each summer. Girl Scouts – North Carolina Coastal Pines will provide these awards based on need, and will consider a variety of factors including financial, family, and home situation. This award is for first-time resident camp campers.

Applications are due to the Raleigh Service Center by March 1, 2021. For the Csorba Award, a deposit is not required with the campership application. Applications can be found at nccoastalpines.org or on page 21. Recipients will be notified of their award by April 1, 2021. This award excludes troop and family camp.

Camperships

Financial assistance in the form of “camperships” enables all girls to enjoy the Girl Scout camp experience. Camperships are made possible thanks to our many generous donors and are available to currently registered Girl Scouts – North Carolina Coastal Pines members who are unable to pay the total cost of a camp experience.

To be considered for a campership, a girl must be a registered Girl Scout member, have selected and registered for her summer camp session, and paid the deposit fee. For more information about camperships or to apply online, please visit www.nccoastalpines.org. You can also apply by mail; a request form is included on page 21. Applications are due by April 1. Please note: families may apply for up to \$200 in financial assistance per girl member for a resident camp session. Amount for Troop and Family Camp and Day Events vary. Awards are limited to one session per girl member, not to exceed \$200.

“We are heartbroken, and it’s so disappointing not to have camp this year.”

Last year, the heartbreak of missing camp was out of your hands. This year, you can help.

Girl Scouts — North Carolina Coastal Pines strives to provide financial assistance to every girl who needs it. Typically, over 250 girls receive financial assistance to make their camp dreams a reality. This year, with so many families impacted by lost income, it’s likely even more will need a little help to make camp possible for their girls.

There is plenty of research on camp’s benefits for kids, including increased independence, confidence, and leadership. Instead of looking at numbers, though, you can hear it straight from campers and parents:

“Girl Scout Camp was the most memorable. I got the chance to meet new girls from different backgrounds and learn new things I have never done before.”

“She’s just much happier and open to share more of her inner feelings.”

When financial assistance opens doors for girls to attend camp, the impact is even more profound:

“Camp opens up experiences my daughter would otherwise not get to do. My family would have not been able to pay for an event like that.”

“I’m so thankful that she is able to participate in this.”

Girls from every background deserve the opportunities camp provides. This is where you can help. Generous Campership donors ensure that camp won’t stop for any girl who wants to go, no matter what her family has been through. You can help make a future camper’s dreams come true by making a Campership donation today.

Please make a Campership donation so no girl has to feel the heartbreak of missing out on camp and more parents can say, “I thank you all for the financial assistance to make her first year incredible!”

I won't let camp stop for any girl!

Every gift will make a difference in helping us award financial assistance this summer.
