...and be a sister to every Girl Scout

Girl Scouts Give: from Girl Scouts, for Girl Scouts.

When girls participate in Girl Scouts Give, they learn about philanthropy, giving back, and how they can make a difference. They also learn about the variety of circumstances girls in our council experience. Girl Scouts-North Carolina Coastal Pines is committed to providing need-based financial assistance. Girl Scouts Give allows our girls to make donations to provide all of the things they love about Girl Scouting to other girls and change the lives of their Girl Scout sisters.
