

Welcome to New Leaders on the Block

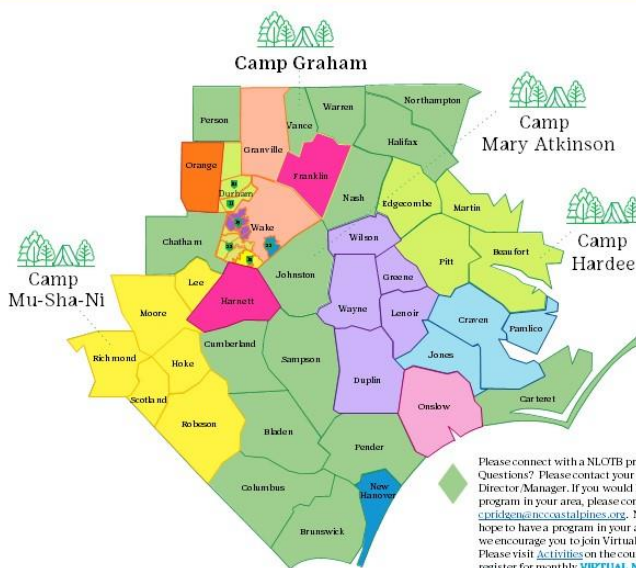

Step by step, mentoring today's leaders together!

Being a new troop co-leader may seem a little overwhelming at first and New Leaders on the Block (NLOTB) is here to provide additional layers of support for you as a new volunteer! New Leaders on the Block is a council-wide Troop Mentor Program that focuses on supporting you – a new troop co-leader – whether that is in-person or virtually. This program serves volunteers locally and regionally. New Leaders on the Block regional programs offer flexibility – in-person and virtual meetings throughout the year plus time for engaging and fun activities. Local programs may pair new volunteers with experienced volunteers for extra peer support or group volunteers based on grade level. NLOTB mentor programs vary from area to area and are contingent on volunteer leadership and participation. As a new troop co-leader, we highly

encourage you to connect (if you have already not been contacted!) with a NLOTB program near you! Please view the map and see contact information below for New Leaders on the Block programs and program team leads. Also, check [Activities](#) on the council website for select regional NLOTB programs that offer in-person and virtual meeting opportunities where you'll have the chance to meet fellow new volunteers all while gaining Girl Scout fundamentals and resources. When you engage in the NLOTB program, you'll feel more confident as a troop co-leader, gain resources and valuable Girl Scout knowledge, and connect with fellow volunteers!
