Then select the green Get Started button:

The next screen tells you a little bit more about Girl Scouts and has another green button to select:

On the next screen, we need some basic information to help you find a troop in your area and get your My GS account started: Name, email, zip code, etc. When you go to the next screen, you'll be able to search for troops near you. You'll see the days and times they meet as well as meeting location. If you don't see any troops, you can change the radius up to 20 miles in 5-mile increments. You can also filter by grade. Use the green Search bar instead of the small magnifying glass search icon.
