

“A Slice of Girl Scouts” Challenge

The “A Slice of Girl Scouts” Challenge invites all girls, whether you are a long-time Girl Scout or are thinking about becoming one, to join us in this challenge to try a slice of (almost) everything Girl Scouts has to offer! Read on to discover ways you can engage in the four pillars of Girl Scouting, family activities, and strengthen our Girl Scout sisterhood to complete the challenge.

How to complete the Slice of Girl Scouts Challenge:

- Say “Challenge Accepted!” by completing the [opt-in form](#).
- Complete two activities from each of the sections on the following page.
- Girls should consult with an adult before going online, as well as verify that activities are appropriate for their age level.
- Complete the [Internet Safety Pledge](#) before going online.
- Adults should review [Safety Activity Checkpoints](#) and [Council Guidelines for In-Person Activities](#).
- Don’t forget to grab a piece of paper or a journal to record the activities completed.
- Submit [this form](#) to let us know you completed the Challenge and request your patch!
- Questions? Contact us at programteam@nccoastalpines.org

Entrepreneurship

- Participate in the Fall Product Program
- Participate in the Cookie sale
- Interview an entrepreneur to find out about their experience
- Complete an activity to strengthen your [financial literacy](#)
- Take the first step toward achieving your goals by [creating a vision board](#)
- Identify ways to [take action](#) in your community

Life Skills

- Complete a patch from our GS-NCCP [Council Patch Program](#)
- Participate in a [Building Beyond Today](#) activity
- Make a [homemade Girl Scout cookie](#) or cook a [dish from another country](#)
- Practice self-care by doing some [yoga](#)
- Express yourself through a [Girl Scouts Way activity](#)
- Learn to [tie knots](#)

STEM

- Do an experiment (need inspiration? Try [this one](#) from HiMama or do [this one](#)!)
- Attend a STEM event found on the [Activities Calendar](#)
- Be a detective and learn to [communicate in Morse Code](#)
- Learn about [women in STEM](#) and share what you learned with a friend or family member
- Explore [careers in STEM](#) and take the career test
- Try out a [coding activity](#)

The Outdoors

- Attend an Outdoor Skill Progression or other outdoor event found on the [Activities Calendar](#)
- Create art inspired by the outdoors
- Do the activities in the [Outdoor Fun Packet](#)
- Learn [Leave No Trace principles and complete an Eco activity](#)
- Clean up a trail or outdoor space in your community
- Check out the [night sky](#)

Family Activities

- Attend a Family Event found on the [Activities Calendar](#)
- Create a weekly dinner (or snack) menu with your family
- Visit a state or local park with your family
- Lead a badge activity with a family member during a troop meeting
- Interview an older family member to learn about the activities they most enjoyed when they were younger
- Create (and play) a game with your family

Strengthening our Girl Scout Sisterhood

- Invite a friend or classmate to join Girl Scouts!
- Start your own troop
- Participate in [Girl Scouts Give](#) (check out the fun patch!)
- Make a [Girl Scout SWAP](#) to give to a friend
- Join girl scouts or renew your membership
- Participate in a Girl Scout Week activity in March
